

Senior Consultant - Transport Policy & Mobility Strategy

Ecorys is a global research-based consultancy that helps our clients make a positive impact on society. We are leaders in research and consulting, monitoring and evaluation, programme management and communications services. We provide the evidence and advice that our clients need to tackle the issues that affect communities around the world. Our staff are justifiably proud of our innovative and thought-provoking contributions to policy and programme delivery. We are an independent employee-owned company. We combine our passion and our business professionalism to make a difference in the world.

With over 600 employees from over 40 nationalities, speaking over 30 different languages, we operate across the globe with offices in Rotterdam, Brussels, the United Kingdom, several other European cities, India and Africa. We work in over 150 countries globally.

The Role

We are seeking experienced consultants to lead and contribute to high-impact projects across various transport modes, including **shipping, rail, road, or aviation**. The ideal candidate will combine rigorous analytical skills with the ability to translate complex findings into clear, actionable policy recommendations.

Key Responsibilities

- Design and execute qualitative and quantitative research methodologies.
- Develop policy analyses and strategic recommendations for public sector clients.
- Lead multidisciplinary project teams, ensuring timely and high-quality deliverables.
- Engage with stakeholders, including government agencies, industry partners, and NGOs.
- Contribute to business development through proposal writing and client relationship management.

You will bring

- Minimum of 7 years' experience in transport policy, infrastructure, or mobility consultancy.
- Strong background in policy advisory, with expertise in at least one transport mode.
- Proficiency in both qualitative and quantitative research methods.
- Excellent communication skills, with the ability to produce clear, concise reports.
- Fluency in UK-English; additional EU languages are an asset.

Our Offer

- An international organisation with highly motivated staff
- An organisation motivated to work on key societal challenges
- A large degree of freedom and flexibility
- An organisation that welcomes new ideas
- A salary based on your background and experience
- An excellent and flexible pension scheme
- We are employee owned and offer the opportunity to buy company shares
- 30 annual leave days and possibility to buy and sell leave days
- A hybrid working policy with flexibility to work from home and from elsewhere

We encourage interested and qualified candidates to submit their CV and motivation letter in English via our online application form. Early applications are encouraged and reviewed daily.
