- Manage project teams and ensure high-quality delivery
- Drive business development through proposal writing and strategic positioning
- Build partnerships and expand our network of experts and collaborators

You will bring

- At least 6 years of experience working on topics related to the areas for the Resilient Economies team.
- Strong project leadership and stakeholder engagement skills
- Experience with EU institutions or international donors
- Proficiency in research methods and data analysis tools (e.g., R, STATA, SQL)
- Excellent written and verbal communication in English

We Offer

- An international organisation with highly motivated staff
- An organisation motivated to work on key societal challenges
- A large degree of freedom and flexibility
- An organisation that welcomes new ideas
- A salary based on your background and experience
- An excellent and flexible pension scheme
- We are employee owned and offer the opportunity to buy company shares
- 30 annual leave days and possibility to buy and sell leave days
- A hybrid working policy with flexibility to work from home and from elsewhere

We encourage interested and qualified candidates to submit their CV and motivation letter in English via our online application form. Early applications are encouraged and reviewed daily.
